

# Quality Policy

**DeepStore** is committed to enhancing its success in Records Management with a service that sets industry standards for Quality, Service and Value. We aim to be the best in every aspect of our business, by complying with the requirements of ISO9001 fostering a culture of continuous improvement and by a commitment at all levels to achieve excellence in the following areas:

**DeepStore** is committed to **Safety** by complying with statutory and regulatory requirements. We will protect the welfare of our employees by providing the equipment and training necessary to carry out their responsibilities safely.

**DeepStore** is committed to its **People**. We will maintain a culture of integrity, respect, collaboration and high performance through open communication and a shared vision.

**DeepStore** is committed to the needs of the **Customer**. We want to build long-term partnerships and a strong reputation for service and innovation.

**DeepStore** is committed to the **Environment**. We will maintain a clean, tidy workplace and control the impact of our operations on our neighbours and the environment through a formal management system.

**DeepStore** is committed to the **Company**. We will strive to continually improve our business and maximise the opportunities that the market presents to us.

**Gordon Dunn**  
CMP UK Managing Director
